Dear Josh,

Thank you for your letter and enclosures, which arrived on the eve of my departure on a trip to India.

I will reply in detail when I return in about three weeks.

I am trying to get a copy of the publication by the Office of Health Economics, and will have it sent to you.

I am hoping to be over in the U.S. early next year to have a look at what is going on in medical computing and would very much like to see you again if it could be arranged.

Kind regards,

Yours sincerely,
